in 80 Minutes (or Less!)™

Set: MC mic | CD player | sound ON | curtains OPEN | screen DOWN
Ready: Yaneth & Kenny | GRIEGO/GRACIA | RAMIREZ **Call:** Coronado

Yaneth: Welcome, welcome, one all, you'll never, ever guess!

We're going to zoom around the world in 80 minutes or less!

Kenny: We've been working very hard, our special songs to learn.

There's one from every continent; each class will take a turn.

Yaneth: There's Russia, China, Kenya and that big Australia,
Brazil, U.S, and Italy, and one called Trinidad!

Kenny: We've got steel and normal drums, more drums and bells and gongs,
And one small cup that packs a punch, and boomwhackers for fun!

Yaneth: So sit back now, and listen well. We're making our own music!
So it's not loud like other shows, but it's just sooo authentic!
