

Pssst! Right now we're putting together a great concert for May 23. It's called *Around the World in 80 Minutes (or Less!)*.

Need to de-stress with your class after testing? Practice and learn two songs to sing along with us from your luxury audience seat on May 23rd. The two songs are:

"This Land Is Your Land" and "Imagine."

If you're interested in singing these songs, please print your name and grade level and return this (or your own) note to the box labeled "Music," (or text me). I will give you the lyrics and a CD after Spring Break.

Sincerely, Ms. Rowland
