

Dear Ms. Coronado,

Apr 28, 2014

Here's a note just for you.

I'm coming tomorrow, **Tuesday April 29 at 2pm**, and I'd like to call **Luis to Room 15** (with the ukulele) when I arrive, will that be ok? Last Friday, Mr. Mendoza could not find the uke. Perhaps I'll let Luis take it home now.

Left you a bar chime too. I chose Briseides, but not sure if she can focus; we may need to let another student do it.

Tomorrow, Tuesday we will have a meeting at 3pm in Ms. Cantu's room for the program.

I come on Thursday, May 1st this week, not Friday.

May I see your class in the morning at either 8:20 or 8:50 on Wed, May 7? Because of your field trip on the 9th.

Let's have Luis sing verse 1, then the class do vss. 1-2-3. Like adding an extra verse 1 before the CD starts. But I will play piano for the live performance.

Muffs can be made with 3 safety pins, pls see sample. We don't need muffs for girls playing percussion. I like cutting it exactly the way I've done it, so that there are **vertical rows** of faux fur when it's completed. After the program, I will keep the muffs.

I think the girls need a red kerchief, what do you think? And the boys, a red sash and maybe their hat can be of black or brown paper?
